

Training Announcement

Social Dialogue & Work Place Cooperation

The Employers Council is pleased to inform members that our Training Unit is now able to offer a new training package on "Social Dialogue & Work Place Cooperation".

The primary objective of this training is *"Improved Industrial Relations through Work Place Dialogue"*. It is targeted to address managers and worker representatives in enterprises.

This training package based on a manual prepared with ILO assistance focuses on the following areas:

- The importance and need of Social Dialogue
- ILO & Social Dialogue
- Social Dialogue at National Sector and Enterprise Levels
- Collective Bargaining as a tool of Dialogue
- Skills required for Dialogue & Negotiations
- Dialogue at the work place & Forms of work Place cooperation
- Setting up Dialogue / Work place cooperation Mechanisms at the work Place

Two or One day training programmes with a focus on chosen areas can be "tailor made" for enterprise needs in consultation with our training team. *Member enterprises interested in arranging programmes either in house or to be conducted at the EC training Hall.*

Minimum service fee will be charge for in house program.

Reasonable fee will be charge for the training conducted at the Employers' Council Training Hall.
